Notes from the President

Linda Breedlove, BSN, MBA, NEA-BC, FACHE
President, Ohio Organization of Nurse Executives

Dear OONE Members,

It is hard to believe that we are already midway through 2018 and enjoying summertime in Ohio!! Although the time is flying by this year, the OONE Board has been very busy both with moving our strategic agenda as well as keeping our finger on the pulse of the flurry of legislative activity. So let me give you the highlights of the work we have done to date!

STRATEGIC PLAN PROGRESS: A mid-year review of progress around the strategic priorities outlined in the strategic plan was completed at our June OONE Board meeting. A few of the key accomplishments to date include:

- Planning for the third annual CNO Roundtable at the Fall Conference well underway and will be moved to a breakfast format.
- Review/selection of the nursing track presentations for the OHA annual meeting was completed by the EBP committee
- Aspiring Nurse Leader and Nurse Leader of the Year awarded in November of 2017 were invited and accepted the invitation to join the OONE Board for calendar year 2018. Welcome

Stephanie Meade (Nurse Leader of the Year) and Courtney Stryffeler (Aspiring Nurse of the Year). Review/selection of the nursing track presentations for the OHA annual meeting was completed by the EBP committee

LEGISLATIVE AGENDA: We continue to monitor and contribute input regarding the key state legislative activity, HB 456 (mandatory overtime bill) which has now passed the house and is in the Senate. Many of the language revisions that were advocated by OHA/OONE for inclusion were incorporated into the bill. Still, with additional revisions possible from the Senate, we continue to diligently watch the activity around this bill. Highlights of HB 456 include:

- Defines "overtime" as an amount of time that is performed in excess of the shift of a registered nurse or licensed practical nurse and to which both of the following apply:
 - a) The nurse first receives notice during the shift that the nurse will be required to work in excess of the shift;
 - b) The excess work must be performed immediately after the nurse's shift is scheduled to end." Defines "shift" as "a specific period of time a registered nurse or licensed practical nurse is required to work in a twenty-four-hour period that has been scheduled in advance by a hospital
- Provides that the exception applies if the emergency, event, or patient influx could not reasonably be anticipated by the hospital.
- Applies the exception if the nurse is actively engaged in ongoing medical treatment or a surgical procedure
- Applies the exception when the disaster affects the hospital's service area
- Penalty language removed
- Permits a hospital to maintain a predetermined schedule under which a registered nurse or licensed practical nurse is in on-call status and

to cause the nurse to be summoned to work while in on-call status

- After MANY years of dedicated service to OONE and the OONE Board, Sandra Beidelschies was appointed Emeritus status membership to OONE.
- Be sure to keep up to date with OONE by following our Facebook page and website where we continue to expand the information we cover and include in both these venues.

Thank you for your continued support and participation with OONE and helping us keep the voice of nursing leadership in Ohio strong and heard!

Have a wonderful summer!

Linda

OTHER GENERAL BOARD UPDATES: There are a few other general updates that I would like to provide:

- As the 2017 Nurse Leader of the Year and the 2017 Aspiring Nurse Leader of the Year, we welcomed Stephanie Meade and Courtney Stryffeler to the OONE Board for this calendar year.
- 2018 is a Bylaws review year and two of the revisions being proposed are to align with recent AONE bylaw changes of (1) removal of the requirement for an annual business meeting at the annual conference, and (2) grants appointed AONE board members voting privileges.
- Our program committee is planning an amazing annual conference!! The conference theme this year is "Ignite the Passion of Nursing" and will be held at the Embassy Suites, Dublin Ohio on October 31 - November 2. There will also be a CNO Roundtable/breakfast on Friday November 2nd. SO SAVE THE DATE – going to be a GREAT conference!!
