OHIO ORGANIZATION
OF NURSE EXECUTIVES
OHIO HOSPITAL ASSOCIATION

Vision

We are an organization of nurse leaders serving as the catalyst for innovative healthcare in Ohio and the nation. Nurse leaders are critical to the effective and efficient delivery of safe patient care within healthcare organizations across the continuum of care. As the recognized center of excellence for clinical leadership, we improve healthcare through education, technology, research, consultation, networking and information sharing.

Mission

OONE is recognized as the voice for nursing leaders in Ohio.

Purposes

OONE shall be the State Organization for nursing leadership in health care that provides for nursing leadership development by:

- Providing a forum for the interchange of ideas and dissemination of information and materials relative to nursing leadership;
- Identifying and defining nursing practice, nursing education and health care issues;
- Establishing and communicating position statements to influence legislative and public policy;
- Developing and promoting educational programs/activities to strengthen nursing in education, administration, research and clinical practice;
- Supporting systems for the advancement of healthy communities.
- Leads the development and implementation of patient care delivery systems that produce high quality, safe patient care through innovations.
- Participates in local and state wide community efforts to promote nursing leadership involvement.

Membership Types and Eligibility

All members of OONE must be eligible for personal membership in the OHA. OONE membership shall consist of registered nurses, who may be full members, associate members, or honorary members.

Full Members: Registered Nurses holding an organizational role with administrative or management accountability, who are employed by an OHA organizational member.

Associate Members: Registered nurses who are not eligible to be full OONE members but whose role supports the vision, mission and goals of OONE and are employed by an OHA organizational member.

- Deans of schools of nursing and faculty in nursing administration and other administrative health care programs with shared/consistent philosophy and goals aligned with OONE and employed by:
 - 1). 501(C)(3) corporation; or
 - 2). Government entity; or
 - 3). School of nursing attached to a hospital

Associate members may not hold a Board position (including chairing a committee).
